

New Stakes and Challenges of the Industrial Insect Rearing Industry

a follow-up industrial meeting of Insectinov 3 conference

Tuesday April 26, 2022 – 9h30-18h00, Biocitech Romainville (Paris)

8h45 Welcome coffee

9h20 **Welcome**
Sylvio BENGIO, Adebitech

9h30 **Introductory Lecture by IPIFF**
Christophe DERRIEN, IPIFF
Regulatory update and future perspectives of the insect rearing industry sector

9h50-11h00 Session 1 – Entrepreneurship testimonies

Session chair : **Franck PIERRE, Ynsect**

9h50 **Cédric AURIOL, Agronutris**
France: the promised land for the insect rearing industry?

10h05 **Antoine HUBERT, Ynsect**
Title to be confirmed

10h20 **Chloé PHAN VAN PHI, InnovaFeed**
Title to be confirmed

10h50-11h30 *Coffee break, networking and Posters*

11h30-12h30 **Session 2 – Scientific and technical ecosystems supporting the global insect rearing industry; insect nutrition**

Session chair :

- 11h30 **Jérôme COSTIL**, **Mutatec**
Nutritional and technical considerations to be taken in account when engineering a cost-effective diet for BSF
- 11h50 **Marc BOLARD**, **FlyGenetics/ Nasekomo**
Genetic selection to improve the performance of the insect-based bioconversion sector
- 12h10 **Speaker to be confirmed** **Danish Technical Institute (DTI)**

12h30-14h30 *Buffet lunch / Posters / Networking*

14h30-16h30 **Session 3 – Economic aspects, Raw materials/ insect nutrition and Main Markets updates and investment strategies**

Session Chairs: Cédric AURIOL, Agronutris / Charles DELANNOY, Procidys

- 14h30 **Vidar GUNDERSEN**, **BioMar**
Aquaculture: the future of aquafeeds
- 14h45 **Philippe LE SANN**, Investment banking, **Bryan, Garnier & Co**
Investments in the insect rearing sector (Title to be confirmed)
- 15h15 **Charles DELANNOY**, **Procidys**
Impact of the raw materials and nutrients availability on overall economic performance
- 15h30 **David GUERRAND**, **Lallemand**
Short focus: Fermentation-based technologies to optimize insect nutrition. A review on enzymes, bacteria and yeast solutions
- 15h45 **Paola TEULIÈRES**, **Tomojo**
Testimony of a start-up in pet food
- 16h00 **INSECTS FOR HUMAN FOOD** Speaker to be announced
- 16h15 **Jean HAYAU**, **Groupe Roulier**
FRASS une opportunité pour le marché Français de la fertilisation

16h30-17h15 *Coffee break/Posters/Networking*

17h15-17h45 **Round Table - Discussions and final conclusions**

Moderator: Maelenn POITRENAUD, SEDE/Veolia
